Dear Karl,

I understand you have received several letters from my father in support of your Pinellas Mobility Initiative Project. Please allow me to add my name to the list of supporters. This project is vitally important because it will define a transportation system that provides other modes of transportation as options to purely automobile travel. The future of the transportation industry is expanding, and I applaud your efforts to bring new ideas and possible new solutions to our community.

I fully support you, Karl, and the Sky Train Corporation in this endeavor. The outstanding work you have done and continue to do will revolutionize the transportation industry, thereby benefiting future generations.

If I may be of any further assistance, please don't hesitate to contact my office at any time.

Best wishes,

Gus M. Bilirakis
